## American Modern Home

### Modern Link

We would like to get our agents set up in American Modern Home's Modern Link web site. This would enable you to go on-line to quote, submit, or check on payment status and cancellations etc on any of your American Modern Home policies. If you would like to get set up in this program, please complete the bottom portion of this form and fax this form to us.

Thank you for your prompt assistance.

Sincerely,

Patricia Sorberg  
Personal Lines Manager
