Amateur Baseball, Softball & T-ball Accident Insurance

What is it?

Nationwide's GrouProtectorSM Amateur Baseball, Softball & T-ball Accident Insurance is a practical insurance plan that provides accident medical coverage for accidents that occur during sponsored team/league activities. This coverage extends to players, coaches and other volunteers associated with amateur sports teams and leagues. It gives all eligible persons the security they need and deserve.

Individual names are not required as 100% of all eligible players are insured. Each player is protected — as well as the league and/or team itself — because all eligible persons are automatically covered.

Voluntary enrollment plans are not available.

All cases are subject to the acceptance of the risk. Cases producing over \$15,000 of premium are also subject to our review of prior claims experience.

What are the covered activities?

- A scheduled, approved and supervised team or league activity. These include practice sessions or games of the sport involved, trips or tours, fund raising drives, parades, picnics, concession stand operation and care of the playing court or field
- A team or league sponsored and/or endorsed clinic or all-star practice session or game
- Direct travel to or from the meeting place to take part in any such practice session, game or clinic

Who is covered?

Premium automatically includes coverage for the following:

- Players, managers, coaches, batpersons and officers
- Persons specifically designated by one of your officers to assist without pay in an assigned team or league volunteer duty to be conducted during a given period of time
- If all teams of a league are insured under the policy, the league umpires, referees, official scorers and timers, player agents and safety officers are also covered

What is the difference between our primary medical and excess medical plans?

- **Our primary plan** – is usually “first in line” to pay a claim. It pays covered expenses regardless of most other plans. Other plans, however, may reduce their payments based on what we pay.
- **Our Excess Plan** – is usually “last in line” to pay a claim. It does not pay covered expenses to the extent they are collectible under most other plans. Thus, we need to know what others pay before we will pay. If there is no coverage, we will pay the same as primary. Excess essentially “fills in” other plans’ deductibles and coinsurance as well as pays remaining covered expenses after others have exhausted their benefits. If our excess plan has a deductible, it is “out-of-pocket” and cannot be satisfied by other plans.

Availability of Primary and Excess plans varies. Please refer to the rate sheet and the NOTE at the bottom of the application.

What are the policy exclusions and limitations?

We will not pay benefits for expenses incurred for:

- (1) the examination, prescription, purchase or fitting of eyeglasses, contact lenses or hearing aids; or
- (2) treatment by a person employed or retained by the plan sponsor or its subsidiaries or affiliates and for which no charge is normally made; or
- (3) care or treatment by a person who ordinarily lives in the insured’s home or is a parent, grandparent, spouse, brother, sister or child of either the insured or the insured’s spouse (if a NJ contract, care or treatment furnished by a member of the insured’s immediate family); or
- (4) diathermy, light, shortwave and other heat or physiotherapy treatments in excess of the first five of all such treatments while the insured is neither hospital confined nor under the care of a home health care agency. Nor will we pay benefits for loss or expenses resulting from:
- (5) intentional self-destruction or an attempt at it, or intentional self-inflicted injury (if a MO contract, while sane);
- (6) war or an act of war, declared or undeclared; or
- (7) air travel unless the insured is a passenger on a regularly scheduled flight of a properly licensed commercial airline.

Here are the benefits

Death and Specific Loss Benefit—If, as a result of injury, an insured dies or suffers a specific loss within one year from the date of the accident causing the injury, we will pay a benefit as specified below (the one year limit does not apply to the loss of life benefit in a WV contract):

Specific Loss	% of Face Amount
Each Arm	75%
Each Leg	75%
Each Hand	50%
Each Foot	50%
Sight of Each Eye	50%
Speech	50%
Hearing of Each Ear	25%
Thumb & Index Finger of Same Hand	25%

The total payment for all of the losses of an insured because of any one accident will not be more than the face amount shown in the application. The loss of the thumb and index finger of the same hand benefit will not be paid if the loss of the hand or arm benefit applies. The loss of the hand or foot benefit will not be paid if the loss of the arm or leg benefit applies.

Medical Expense Benefit—If, as a result of injury, an insured incurs covered expenses starting within 90 days from the date of the accident causing the injury, we will pay, less the deductible (if any) shown in the application and not to exceed the overall maximum benefit amount, all covered expenses incurred within 3 years from such date.

Covered expenses mean the reasonable and customary charges for local (“local” not applicable in a CT contract) professional ambulance service to or from a hospital and/or surgical center as well as the following reasonable and customary charges for treatment, services and supplies provided or prescribed by a doctor:

- (1) hospital or surgical center care;
- (2) medical treatment;
- (3) nursing care provided by a licensed nurse;
- (4) X-rays and lab exams;
- (5) prescription drugs and therapeutic services and supplies;
- (6) dental treatment as a result of injury to sound, natural teeth (natural teeth in SC); and
- (7) the following licensed home health care agency services and supplies provided instead of an otherwise required hospital or skilled nursing home confinement:
 - (a) physical, occupational, respiratory and speech therapy,
 - (b) the services of a home health aide; and
 - (c) medical supplies.

Coverage is provided under policy form No. GR-9041 et al.

Certain provisions of the policy are summarized in this folder. All benefits are subject to the policy, which alone constitutes the agreement under which payments are made.
